

REMARKS

Reconsideration of the above-identified application in view of the remarks following is respectfully requested.

Claims 1-22 are in this case. Claims 5-6 and 20 have been canceled without prejudice. Claims 1, 7-8, 12-19 and 21 have now been amended. New claims 23-38 have been added.

Support for these amendments and new claims can be found throughout the specification, as well as in the original claims.

More specifically, support for the claims 1, 19 and 26 reciting the data being in a newspaper format, and different features of such a newspaper format can be found throughout the specification, for example in page 9, lines 1-14, and in figure 3 and the corresponding description.

Support for the claims 1 and 27-29 reciting formatting according to blocks and their specific features may be found in the description corresponding to Figure 2, on page 19 line 18 bridging over to page 23 line 3, and specifically in page 20 lines 11-23.

Support for the markup language distiller recited in claim 19 can be found on page 12 line 20, bridging over to page 13 line 23.

Support for new claim 30, which recites the fact that the user may view the blocks rendered into the final publication format in any chosen order may be found on page 8, lines 14-23.

Support for new claims 31-33 and 35-38, reciting the different sources of data that may be used for the present invention may be found in figure 1 and the corresponding description, page 9 line 18 bridging over to page 10 line 21.

Support for the use of a graphic user interface (GUI) for displaying the final publication format, as recited in new claim 34, can be found in page 13, lines 16-19.

In view of the above remarks it is respectfully submitted that claims 1-4, 7-19 and 21-38 are now in condition for allowance. Prompt notice of allowance is respectfully and earnestly solicited.

Respectfully submitted,

D'vorah Graeser
